## Proposed Enrolment Scheme

Dear parents, guardians, whānau and community stakeholders,

The Papakura Intermediate Board of Trustees is in the process of implementing an enrolment scheme as directed by the Ministry of Education under section 11H(1) of the Education Act 1989. The need for a zone has come about due to rapid rates of population growth in the wider Papakura area. Our Board of Trustees believe that introducing a zone to our school is a positive thing for the Papakura community as it encourages parents and guardians to recognise the strengths in our local schools, while also providing the choice of keeping children in one of our many Year 1-8 primary schools, or transitioning them on to our “Home to Innovative Learners and Leaders”.

The enrolment zone will come into effect in January 2021 and all Year 7 and 8 students who live within the home zone, will be entitled to enrol with us. This will not affect our students who are already enrolled with us.

On the attached pages you will find a description of the proposed zone, a map of the proposed zone and a list of frequently asked questions (FAQs) by parents and guardians who want to better understand what zoning involves. Zoning information is also available for viewing on our website: <http://www.papakuraintermediate.school.nz/>

If you would like to send us comments on the proposed enrolment scheme, please either email at [officemanager@papakuraintermediate.school.nz](mailto:officemanager@papakuraintermediate.school.nz) or write to our Board at 50 Settlement Road, Papakura. Any comments or consultation submissions close after 1 month from this letter.

Nga mihi,

Enosa Auva'a

Board of Trustees Chairperson
