Kia Orana,

My name is Lisapeta Wilson, and I am one of the core teachers here at Papakura Intermediate. I have the privilege of being your child's teacher this year 2021. I have been teaching at Papakura Intermediate for 4 years and have enjoyed every moment.

Born and raised in Mangere, it has always been my dream to be a teacher. My grandparents migrated from the beautiful islands of Niue and the Cook Islands and I am very proud of my heritage.

I am married to Kaleb Wilson and have two daughters, and two sons. My family, my faith, and the relationships I build around me are what is most important to me. I enjoy travelling, reading, spending time with my whanau and dancing!

I have a passion to see my students achieve all goals and challenges set before them, and I believe that no dream is too big! Thank you for allowing me to be a part of your child's learning journey!
