

## A word from Ms King

Kia ora Parents, Caregivers, Grandparents, Aunts, Uncles, whānau and our taurira.

It has been a full and positive term so far. Last week we had our Year 8 Camp and our Sports Camp in the second half of the week at CYC Ngaruawahia. Across both camps, students showed real resilience, supported one another, and made the most of every opportunity on offer. It was great to see strong teamwork, students encouraging each other and representing our kura with pride.

A reminder of the importance of regular attendance at school. Being here every day matters, it ensures students stay connected to learning, maintain momentum, and continue to build the skills and confidence they need to progress at school. We appreciate the ongoing support and communication from whānau.

This Thursday 4 June, our school will be closed as staff engage in Mathematics Curriculum professional learning with the Ministry of Education. This is an important opportunity for our teaching staff to stay current with national curriculum developments and strengthen our practice in mathematics.

Looking ahead, we are excited to welcome whānau into school next Thursday and Friday for student-led conferences. If you have not booked an appointment with your child's teacher please get in touch with them as soon as possible. During your child's conference you will also receive their mid-year report. These conversations are a valuable opportunity for students to share their learning, reflect on progress, and set clear goals for the remainder of the year.

We look forward to seeing you then.

### A MASSIVE *Mihi*

We had a lovely surprise visit from Rick Pickard, the General Manager of the John Walker Find Your Field of Dreams Foundation.

Rick presented our school with 4 bags of different sports balls. These resources will help support active play, skill development, and positive sporting opportunities for our students during break times, P.E., and sporting events.

We send a MASSIVE MIHI to Rick and the team at the John Walker Find Your Field of Dreams Foundation for this generous taonga. Our students are looking forward to all of the fun and exciting sports they will use this equipment for.

FOR ALL SCHOOL  
NEWS IN TERM 2  
WITH THE SKOOL  
LOOP APP!

- Receive instant notifications to your device about school news and notices
- Translate school notices to your native language
- View newsletters
- Notify us of your child's absence
- Sign permission forms
- Book interviews and more!
